A committee of 5 National evaluators with nearly 100 years of women's basketball combined experience put this group together. They include the three top national scouting services as well as McDonalds All American Committee voters.

We are proud to say they have all committed to attending again next year!!!

This was a competitive field & we all know it is just one day in these young players' career - so as nice as it is to be named to these types of lists, there is a lot of basketball still to be played by everyone.

We look forward to seeing you on the court down the road & how your game progresses.
